## Silver Sponsor

Sponsor of a student.

\$2,500 – Benefits

Students are encouraged to submit papers and posters to the Yellowstone Conference. It is the goal of the program committee to select one student to make a presentation in every concurrent session, yet many have financial constraints that may hinder their participation. We invite your organization to sponsor a student's learning. For \$2,500, your sponsorship would cover the student's registration fee, the college credit fee, travel to and from the conference, lodging, and per diem while at the conference.

- Priority status for booth selection (based on availability).
- One 8' x 10' exhibit space.
- Recognition as "Conference Sponsor" during the Opening General Session.
- Two complimentary conference registrations for company representatives.
- Distinctive "Conference Sponsor" ribbons for all company representatives to wear on their name badges.
- Identification as "Conference Sponsor" on your booth ID sign.
- Company name and/or logo and web site link posted on the IAWF web site.
- Company logo printed in the program
