

Spokane Riverfront Park

Spokane's Riverfront Park was the site of the 1974 World Expo and Fair. Many of the Expo features are still available for you to view today. Be sure to look out for signs that give more detail about the park and its history.

You will cross several bridges over the Spokane River while on the route. The name Spokane means "children of the sun", and both the river and the city take their name from this local Native American tribe.

Enjoy!

Spokane Riverfront Park 5K

Spokane's Riverfront Park was the site of the 1974 World Expo and Fair. Many of the Expo features are still available for you to view today. Be sure to look out for signs that give more detail about the park and its history.
