International Wildland Fire Safety Award

The International Association of Wildland Fire (IAWF) inaugurated the International IAWF Wildland Fire Safety Award in 1997, at the Association's first Wildland Fire Safety Summit held in Rossland, British Columbia. The IAWF presents this award to a deserving individual selected from nominees submitted to a committee comprised of previous award recipients and a member of the IAWF board.

The award is given to someone in the wildland firefighting community who has made a significant contribution to wildland firefighter safety, either directly on the fireline; or indirectly through management, cultural changes, or through wildland fire research.

Recipients include:
